Dear Riverton Families,

Riverton School will continue to offer a preschool program for the 2017-2018 school year. The program meets the needs of our children with special needs, in addition to providing a supportive environment where students with and without disabilities can learn together. This developmentally appropriate, play-based program will address reading and mathematics readiness skills, language development, fine and gross motor skills and social skills. The curriculum will be aligned with state standards in order to prepare students for the district's kindergarten program.

We are currently accepting applications for a limited number of openings. The program will be from 8:10-11:00 A.M., Monday through Friday. Students will be selected by lottery on Tuesday, January 3, 2017 at the Board of Education meeting in the Riverton School Media Center. The cost for this program will be \$2,925, payable in two increments by September 4, 2017 and December 11, 2017. You will be notified by mail of your child's status following the lottery. Approximately eight to ten openings are anticipated to be available through the lottery. Students who are not selected in the lottery will be placed on a waiting list.

In order to qualify for the program, your child must meet the following criteria:

- Riverton resident, age 4 by October 1, 2017
- Fully toilet trained
- Up to date immunizations

Documentation of each must be submitted with your child's application.

Parents are responsible for transportation and assuring regular attendance.

To apply for the program, complete the attached application and return it to Dr. Sullivan, Riverton School, 600 Fifth Street, Riverton, NJ 08077 by December 23, 2016 at 12:00 P.M. You will be notified whether or not your child was selected in the lottery. Students not selected will be placed on a waiting list.

Due to limited space and large expectation of applicants, please adhere to the listed deadlines. For further information, call Lorna Sullivan (856-829-0087, ext. 160).

Sincerely,

*Mary Ellen Eck*  
Superintendent
