

## Mathnasium Summer Programs June 19<sup>th</sup> through September 30<sup>th</sup>

During the summer, many students lose 2 to 2.5 months of the math computational skills they learned during the school year. \*Source: Washington Post, June 15, 2009

Mathnasium Summer programs can help your child prepare for success in the coming school year and prevent summer learning loss.

Our Summer memberships include:

- **One on One Instruction-** Individualized attention in a small group setting
- **Customized Program-** Your child can catch up on previous material and get ahead by previewing upcoming concepts.
- **Flexible Visits-** Drop in anytime that is convenient for you. No appointment necessary.
- **Elementary, Middle and High School Math-** work on fundamentals and preview next year's Math.
- **SAT/ACT Prep-** Included for our High School students as needed.

**Infinity Package-** Available year round

This unlimited attendance package provides the most opportunity for growth. A student may attend one session daily all summer. Imagine the possibilities!

Elementary School	\$269/month
Middle School	\$299/month
High School	\$349/month

\*Elementary and Middle School sessions are 60 minutes. High School sessions are 90 minutes.
